Desktop home

Desktop layout introduces the college and its original dark-academia study collage.

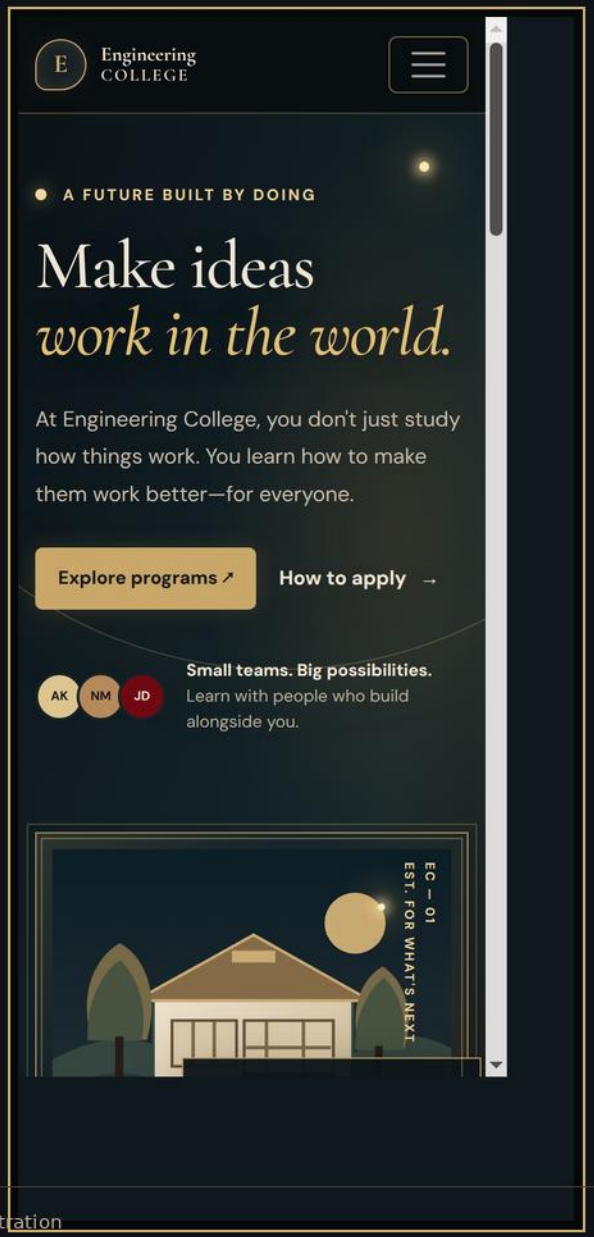

Home on mobile

The home experience adapts to a phone viewport without horizontal overflow.

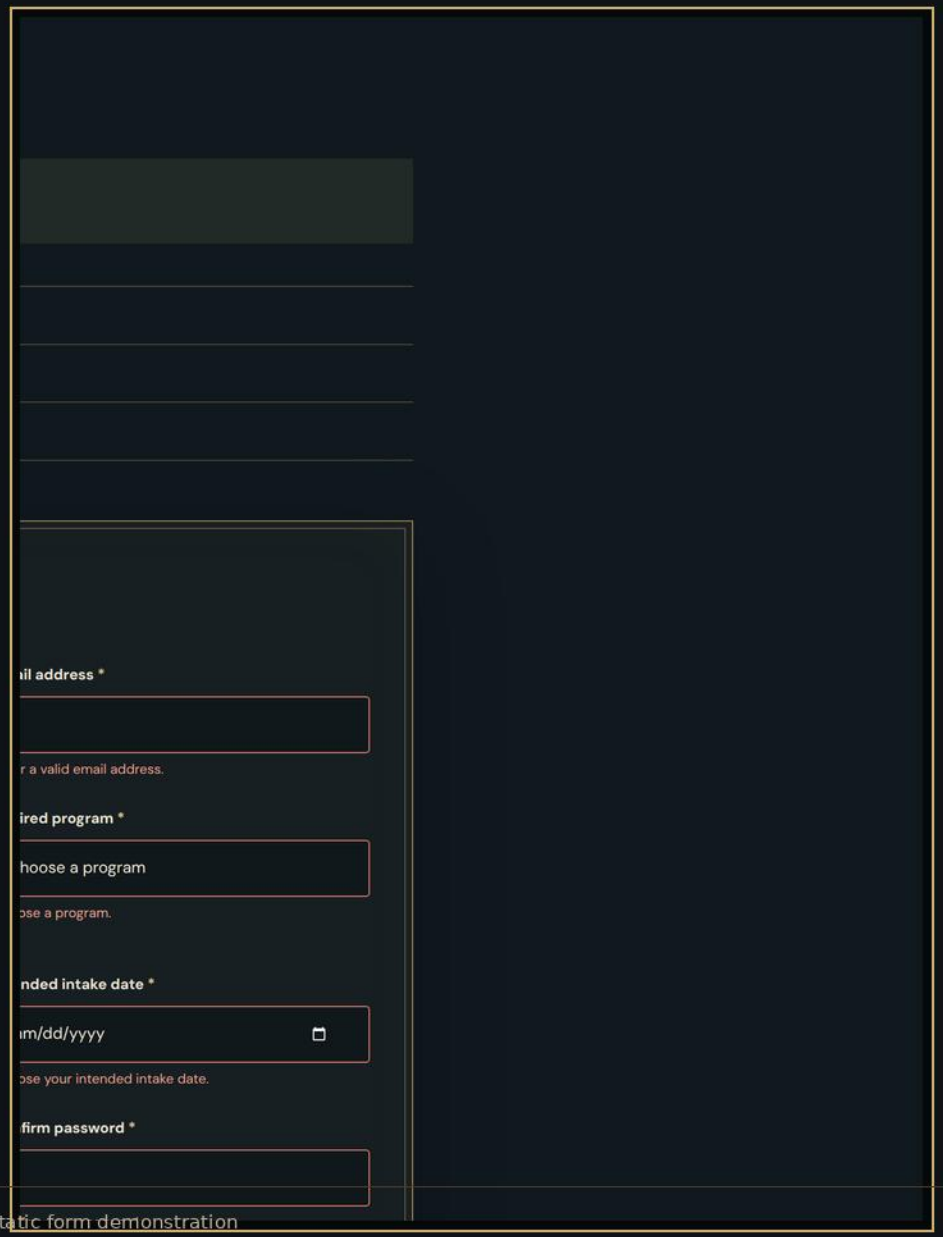

Mobile navigation

The fixed navigation opens as a readable, usable mobile menu.

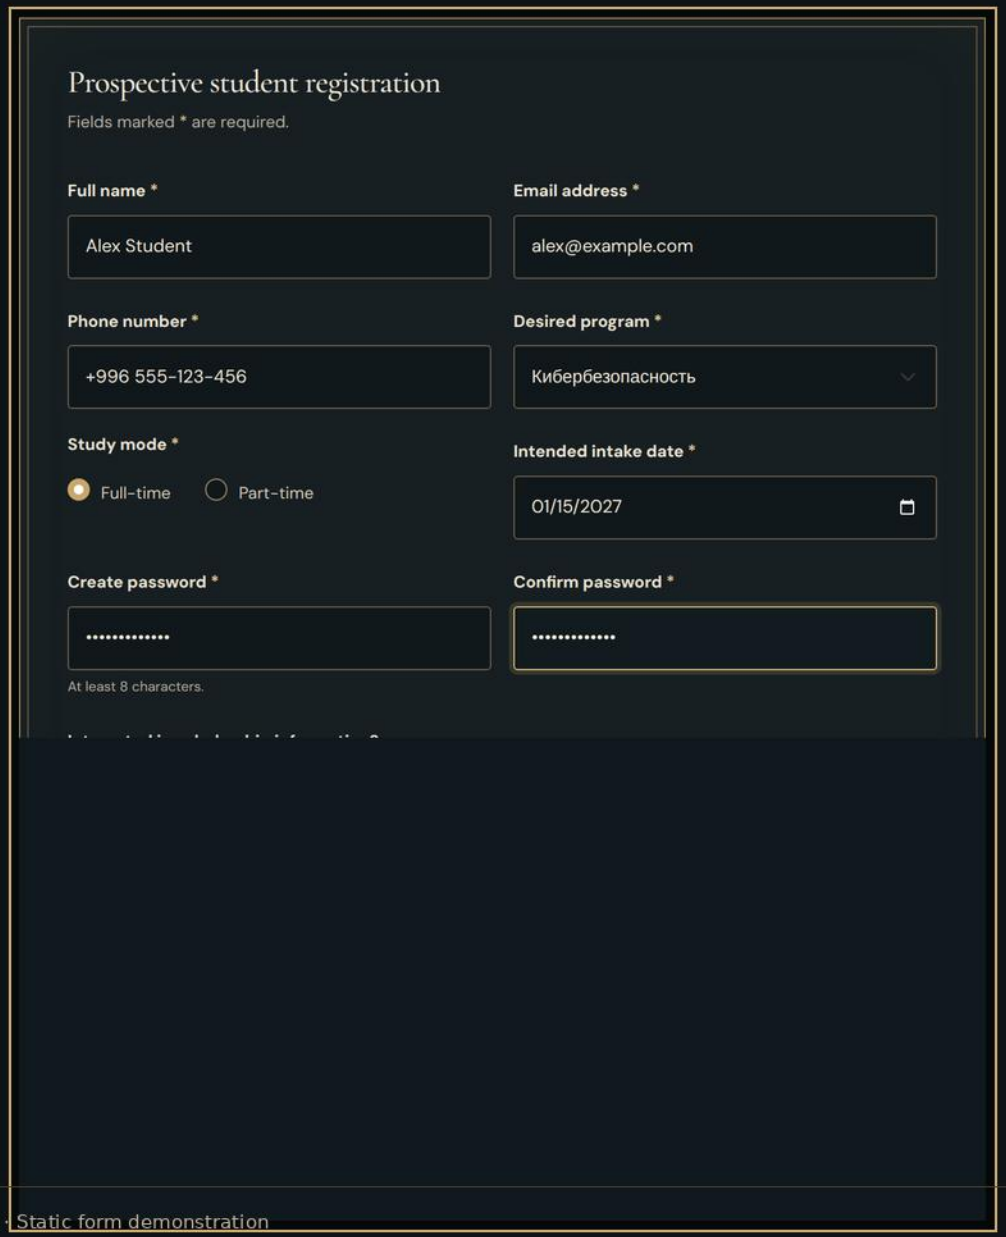

Registration · validation

An empty submission highlights required fields with inline messages.

Registration · confirmation

Valid registration details produce a confirmation; the demo does not store them.

Contact · response

The contact form confirms valid input and explains its static-demo limitation.

Program filter

The Technology filter narrows the three programs to the two technology tracks.
